RolePlay Peer Gaming

This is a group for anyone looking for a fun, new way to develop skills and make friends. Roleplaying games are an interactive but passive way to develop critical thinking, empathy, social skills, resource management, and more. Better yet, it's fun. Everyone is welcome at our table, regardless of their history or experience in playing games. Join us as we go on magical quests, solve puzzles, explore a new world, and make new friends. *Masks required*
