The **Peer to Peer Workshop** is a space for peer counselors, wellness/life coaches, or anyone providing services within the behavioral health field. In this interactive workshop, we will discuss protocols, boundaries, burnout, and our experiences—to make connections and understand the role of peers in different modalities. TACID is offering this workshop as an educational opportunity for TACID Peer Internship, Field Experience, and for other peer supporters to develop their skills based on the principles of Intentional Peer Support (IPS) and the National Ethical Guidelines and Practice Standards.
